1. Lullaby by Birdland, that's what I
always hear when you sigh. Never in
my wordland could there be ways to
reveal, in a phrase, how I feel.

2. Have you ever heard two turtledoves
bill and coo when they love? That's
the kind of magic music we make
with our lips when we kiss.

3. And there's a weepy 'ol willow; he
really knows how to cry. That's how
I'd cry on my pillow if you should tell
me farewell and goodbye.

4. Lullaby by Birdland, whisper low.
Kiss me sweet, and we'll go flying
high in Birdland, high in the sky up
above, all because we're in love.

5. And there's a weepy 'ol willow; he
really knows how to cry. That's how
I'd cry in my pillow if you should tell
me farewell and goodbye.

6. Lullaby by Birdland, whisper low.
Kiss me sweet, and we'll go flying
high in Birdland, high in the sky up
above, all because we're in love.
